(The FREE e-Book from The Green Apple, Satire News)

Published by The Green Apple.

IF YOU DON’T LIKE FACTS, DON’T READ THIS BOOK, IT IS NOT THE BOOK FOR DEMOCRATS.

(/s)

The book where the news tells you what to think, because its OUR version of the news.

Today, I will teach you how to debate fellow opponents on the political stage, like a democrat!

You know the drill, lets get started with key idea 1 on debating like a democrat:

#1: When a reporter asks a question that makes YOU nervous, uncomfortable, and makes you look wrong/bad.. Cackle.. Just, Cackle.. Kamala Harris uses THIS trick of body language with EVERY Question a reporter asks her, and it's gotten to the point where it's so obvious she is lying.

I know it seems weird, but it isn't dumb. It works for them, the 2 people watching CNN and the people who watch Msnbc, Actually, its 'MSNow' I guess, I think it means: 'Most Sure No One Watching'

Back to BUSINESS: I hope this book lets some see the light.

Step #2: Lie, for whatever reason; even to fit in with the voterbase.

So simple you wouldn't have guessed it.

Alexandria Ocasio Cortez says that she grew up in the Bronx, she fights with Trump EVERY DAY, a Queens native, we have gone out to prove this.

I quote AOC: "I'm a Bronx girl. You should know that we can eat up Queens boys for breakfast, Respectfully."

This, is a lie; and The Green Apple has gone out to prove this:
She moved to Yorktown at around 5 years old, this old yearbook photo proves it

Be like HER. The folks watching CNN will eat it up.

#3: Flip Flop!

Biden is a known racist, you wouldn't believe me, but it's true.

I quote:
'I don't want my kids going to a racial jungle!' (Biden, then a senator: D-Delaware, Speaking on Black Children attending Public Schools)

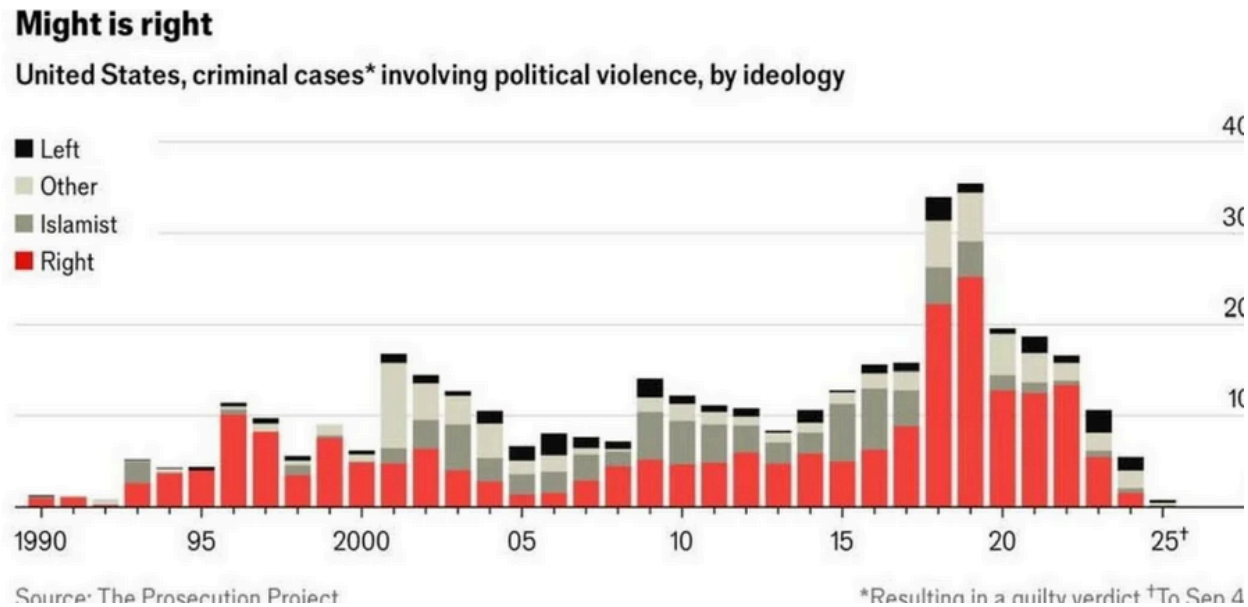
Him on gay marriage:
'No. Barack Obama, nor I, support redefining from a civil side what constitutes marriage. We do not support that.' - Vice Presidential Candidate Joe Biden in 2008, at the Vice Presidential Debate.

Weird, he seems to be a flip flopper; well, it's always worked for democrats, it gets everyone confused, and makes em' forget about the past, it works!

#4: Bring up false/skewed studies as real:

Painfully Obvious. Self Explanatory!

On Reddit, a false study showing violence by Political Views:
'Right' was 70%
It was a FALSE Study. I will get to that
They also RELIGIONS as their own groups, for some reason. A certain one should be put with the Left, but it wasn't because it made a difference too huge to ignore, because it'd make the left look bad, so sad..
Study Here, per usual:



Why is this fake, you may ask? Well, so what if its a REAL Source.
They undercounted Leftist Political Violence. And 'violence' is subjective.
They should bring up the BLM riots, 'mostly peaceful' they called it, well..
Minneapolis is partly destroyed now, thanks to the riots.
CNN: 'Peaceful Protests' Forced us into the equivalent of MARTIAL LAW?
NO!

#5: Bring up Fake News as if it were real when in a debate.

Kamala said at the Presidential debate: 'Trump will sign a national abortion ban if elected'
That statement is a lie.

He has no jurisdiction to sign something banning a law held at STATE Level, since Roe v Wade was overturned, it's at state level now.
Trump has held firm on his stance of not banning abortion, by the way.

#6: Call Donald Trump 'Weird'

Tim Walz's FAVORITE Strat.

"He's Weird"

"Weird"

"Just Weird"

“Weirdo”

“Just plain weird.”

Sounds like Tampon Tim has an obsession with.. Weird?

HE is the weird one, look at the laws he has signed!

#7: Make Fake News

CNN and MSNBC exist so this is already true.

#8: Pay for celebrity endorsements, never pay them back
Kamala had Oprah’s endorsement, she paid for it, it's been proven, has she been paid back? Likely not.

#9: Claim Democracy Is in Jeopardy!
‘The world is ending’ is the equivalent of what they have been saying.

#10: Astroturfing: Reddit, Instagram.. Kamala’s Campaign Discord had astroturfed these platforms, particularly the former; it's been proven, too!

So weird, I thought they loved the ‘truth??’ I guess not..

#11: Paint trump bad, make it look like you’re fighting him

They do this EVERY Day! They seem to love Trump so much... So weird!

#12: ‘(Insert Democratic Candidate) Won the debate!’

They said Biden was ‘On Point’ and ‘Sharp’ once Biden did the Presidential Debate, well; if you watched it.. He was the opposite of ‘Sharp’ haha..

#13: Whataboutism

What if!! They LOVE this shield.

#14: JANUARY 6TH INSURRECTION BY TRUMP!!

Falsely claiming 1/6/21 was an insurrection, a coup by Donald Trump, President Trump told everyone to back down, so they lie again.

#15: Hire Fake Fact-Checkers.

They put YOUR Version of the facts up, the democrats love this trick.

#16: Invoke democracy as a magic word

This makes it seem distant, making you look good!

#17: Victimize Yourself

Get Sympathy From Unsuspecting Idiots: they love this trick.

#18: Eat the rich.

Claim the rich are taxed too little, when they already make up most of the tax income that the U.S gets, Dems LOVE this trick to use against libertarians. Remember folks, stay individualist.

#19: Use big tech to silence opposition

YouTube just confirmed the Biden Admin pressured them to remove Right Wing COVID-19 Content, proving this point.

#20: Scare The Public

CNN Will say the world is ending when the government shuts down. They are trying to scare you, and folks keep eating the lies from CNN up!

#21.. Call em' hitler

The biggest thing they do.. Call republicans and conservatives alike Hitler Worshipers & Nazis, for disagreeing with liberals..

They call US nazis but THEY are the ones trying to silence us, ironic?
